Carl,

Noreen is trying to finalize the record of communication from the 7/22/15 consultation with the Ute Tribe, which we need for the FIP docket. Unfortunately neither Noreen or I were at the meeting. So, participants in the meeting have provided Noreen with 3.5 pages of notes from the meeting, which I believe is way too detailed for our record of communication. I have boiled it down to a short summary, similar to what we have done for similar meetings. Since you were at the meeting, could you please take a quick look at both versions and let us know if you are ok with the boiled down version?

Thanks,

Dee
